It is believed that all of the claims are patentable
over the prior art. For better readability and the Examiner's
convenience, the newly submitted claims differ from the
translated counterpart claims which are being canceled. The
newly submitted claims do not represent changes or amendments
that narrow the claim scope for any reason related to the
statutory requirements for patentability.

Accordingly, after the Examiner completes a thorough
examination and finds the claims patentable, a Notice of
Allowance is respectfully requested in due course. Should the
Examiner determine any minor informalities that need to be
addressed, he is encouraged to contact the undersigned
